Arts & Entertainment Insurance

Performing Arts Portfolio

Orchestras | Opera | Dance |
Theatre | Music

Performing Arts Portfolio is a well-designed, comprehensive contract that uniquely fulfils all the insurance requirements of a 21st century arts organisation. It offers exceptionally comprehensive protection, with all covers under one policy.

La Playa is one of the few independent insurance brokers specialising in the performing arts, and our client list includes many of the UK's leading opera, music, theatre and dance companies.

Performing Arts Portfolio is exclusively available through La Playa, and is underwritten by global giant Chubb Insurance.

What if...

- An audience member is injured at your performance?
- Borrowed costumes, props or equipment get damaged?
- One of your performers is injured on stage?
- Airport delays mean you miss a performance?
- A dispute goes legal?

LA PLAYA

Arts & Entertainment Insurance

“La Playa has an excellent understanding of the orchestral business and operates as a business partner, not just an insurance service. I wouldn’t hesitate to recommend them, a great team.”

Britten Sinfonia

The performing arts, by nature, involve some major implications for insurance, and many non-specialist insurers have fixed (and inaccurate) ideas about the industry. Often they charge high premiums to protect themselves against the perceived high costs of cancellation, temperamental artists, unsociable hours and “high-risk” activities.

Performing Arts Portfolio has been designed by a broker who understands the arts and can negotiate realistic terms with insurers. It helps avoid expensive duplications by covering multiple risks under a single policy, including:

- **Property:** computers, sheet music, office, theatrical and music equipment, stock and musical instruments
- **Business Interruption:** protects income streams during physical and technological disruptions (fire, flood, power & telecommunications failure, prevention of access to venue, failure of safety curtain, sound & lighting, seating & staging)
- **Public, Product & Employers' Liabilities:** covers compensation payments arising from damage to third party property or personal injury (audiences, freelancers, volunteers, merchandise, venues)
- **Money:** box office income, per diems, programme/merchandise cash
- **Annual Travel/Touring:** trip cancellation, medical expenses, passport replacement, loss of baggage, delays

We can also arrange:

- **Cancellation Insurance:** cover against financial loss as a result of cancellation, abandonment, postponement or re-scheduling of an event
- **Trustee Liability/Directors' & Officers' Liability:** protection for alleged mismanagement of the organisation
- **Professional Liabilities:** helping to defend you against allegations of libel, slander, infringement of copyright, breach of confidentiality

Advice you can trust from an expert who understands you:

- Comprehensive specialist insurance
- Independent professional advice
- Relationship-based service: Your advocate during claims
- “Can do” culture
- Transatlantic capability
