*“Thank you

I feel we’re in  
safe hands,

Working in production, you can get general business cover from any insurer. But there are good reasons for working with a specialist broker who understands the sector. The business of media and production involves some major implications for insurance. Many non-specialist insurers have fixed (and inaccurate) ideas about the industry – charging high premiums to protect themselves against the perceived high costs of delays and over-runs, unsociable hours and “high-risk” activities.

**Production Portfolio** covers all your risks under a single policy - avoiding expensive duplication and administration. Exclusively available through La Playa, our policy is underwritten by Chubb Insurance - an award-winning company with first class underwriting knowledge and experience in this sector.

**Production Portfolio** covers include:

- **Property:** covers your own and hired-in equipment, computers and general office contents. Cover includes alternative hire, continuing hire charges and losses from unattended vehicles.
- **Business Interruption:** protects income streams during physical and technological disruptions.
- **Employers’, Public and Product Liabilities:** protecting your legal liability
- **Money:** fees, subsistence expenses
- **Cast & Crew:** covers extra expense incurred by the death, injury, sickness or kidnapping of an insured person
- **Commercial Film Producers Indemnity:** cover for additional costs incurred by interruption, cancellation, abandonment or re-scheduling of a production
- **Negative, Film & Videotape:** for extra expense incurred by loss of or damage to raw film or tape stock, exposed film, videotape, artwork and drawings and CGI software
- **Props, Sets and Wardrobe:** for loss or damage to props, sets, scenery, costumes, wardrobe and similar theatrical property

Other specialist insurance can also be arranged:

- **Film Union Travel:** for location shoots and reconnaissance
- **Errors & Omissions Insurance:** protects you in cases of libel, slander, breach of copyright, invasion of privacy, unauthorised use of trademarks and slogans
- **Professional Indemnity:** protects you against allegations of negligence, breach of duty or mismanagement
- **Directors’ & Officers’ Liability:** protecting your key people
