Step 1: The perfect base

Gotta have 'em!

Our infamous dough base contains two essential ingredients!

- ✓ Employers' Liability
- ✓ Public Liability

Step 2: Standard toppings...

PRODUCT LIABILITY

Covers your business if someone claims your product caused them injury or damaged their property

D&O

Directors' & Officers' Liability — because limited liability is a misnomer!

PROPERTY

Covers your physical & digital assets including buildings, stock, computers...

PROFESSIONAL INDEMNITY

In case you screw up

TERRORISM

Covers terrorist acts *and threats*

BUSINESS INTERRUPTION

Protects your income streams when there's an unexpected spanner in the works

Step 3: Extras to make it sizzle!

INTELLECTUAL PROPERTY

Protects you against allegations of infringement and plagiarism

TRAVEL

Peace of mind that you've got help and finance if something happens abroad

CO-WORKING

For specific risks in co-working spaces

PRODUCT TRIALS

If something goes wrong when you're trialling a new product

CYBER

Helps mitigate costs of hacks, virus attacks, data breaches
